Administrative/Biographical History

John H. (1845-1914) and Frederick Hoyer (1854-1906) were German brothers who worked at the New York Naval Shipyard in the late 19th and early 20th centuries. Frederick married Albertine E. Hartung (1868-1949) on May 29, 1885. On October 15, 1906 Frederick was killed while working at the Navy Yard, supposedly crushed between two floating ship hulls. On July 16, 1909, Frederick's widow, Albertine, married John H. Hoyer. In the same year, on September 1, Frederick's daughter, Charlotte, married Christopher Kinkel. John eventually retired after working as the pay clerk and died in 1914. Walter J. Kinkel (1920-2010), who originally owned this collection and is related to the Hoyer's, is mentioned in several documents.

Scope and Content

This collection contains artifacts, including a 45 star flag and USS Indiana (BB-1) lapel pin, which are in good condition and were presented to John H. Moyer following his retirement. The collection was arranged into 14 “exhibits” by the donor, Roger Donegan. Three of the “exhibits” are oversized and were moved to an oversized box. There are also photographs and reproductions of John H. Moyer, as well as Frederick and Albertine Moyer. One newspaper clipping explains the story of John marrying Albertine after the death of Frederick in 1906. The Hoyer brothers’ U.S. citizenship and marriage certificates are also a part of the collection. The last exhibit contains reference materials about Walter J. Kinkel, original owner of the collection and relative of the Hoyer family.

Container List

Scope and Contents Note: The collection only contains one series, which was arranged by the record creator and remained in its original order.
